## SELF-MEASUREMENT FORM – DODGERS

COMPLETE AS BELOW:—

Height at forward end	AD		Length of top edge	AB	
Height at after end	EC		Length of bottom edge	DC	
Pushpit slope distance	BC		Diagonal distance	DB	

### NOTES

1. If any cut-outs, pockets or flaps are required please indicate using nearest two sides as datum, for each side as necessary.
2. Indicate choice of available material and colour.
3. Indicate any lettering required and colour, also whether separate or hyphenated words are required.  
 — Letters are additional to the basic price of the dodgers and are quoted per letter.
4. Ascertain whether port and starboard dodgers are identical in shape.
